PROFILE SUMMARY

A driven and innovative web developer with nearly 2 years of experience in building intuitive, user-friendly websites. I am proficient in modern web technologies, including React, Next, Node, Express, Tailwind CSS, Bootstrap, and GSAP, and have worked on diverse projects to sharpen my development and design skills. I bring creative problem-solving to every project, with experience in platforms like WordPress and Wix, as well as design tools like Figma and Photoshop. My passion for learning and evolving in the web development space is matched by my commitment to delivering responsive and aesthetically pleasing digital experiences.

EDUCATION

CURRENTLY STUDYING AT BATH SPA UNIVERSITY
BSc (Hons) Creative Computing

HIGHER SECONDARY SCHOOL CERTIFICATE
His Highness Shaikh Rashid Al Maktoum Pakistan School Dubai
